

BUSINESS AND NONINSTRUCTIONAL OPERATIONS**Motor Vehicles****A. Generally**

The Stafford County School Board shall own and operate such motor vehicles as shall be necessary for the transportation system, the central office, the maintenance of buildings and grounds, the bus garage and supportive services for the school lunch program.

B. School Delivery (Courier) Service

A delivery (courier) service may be maintained within the school division for the sole purpose of distributing official school communications and materials.

Material from a non-school affiliated source must have the permission of the superintendent prior to delivery.

C. Buses

Each fiscal year the school board shall determine the number of school buses to be purchased. Following authorization by the school board, the superintendent shall invite competitive bids. Specifications shall be in compliance with the regulations of the State Board of Education.

D. Use of Division Owned Vehicles

Under no condition may school vehicles be used for private purposes.

Editor's Note
